Welcome!

2 exquisite restaurants and 4 bars. One of the unique experiences offered by Radisson Blu Hotels is a fabulous Super Buffet Breakfast.
Hiking is one of the most popular tourist activities in the area. The real natural beauty of the Ukrainian Carpathian Mountains and Ukraine in general, is the Chornogora mountainous chain, where you can find the highest geographical point of Ukraine – Mountain Hoverla (2061 m). Climbing the Hoverla Mountain is one the most impressive and memorable experiences for all tourists. The 10 km route is of average level of difficulty and takes about 5 hours to climb.

Besides reaching the highest mountain top of Ukraine – this tour features such incredible places as high mountain lake - Nesamovyte, riverbed of the Prut River and other marvels of the High Carpathians. A day’s long hiking tours allow you to test your potential and feature the breathtaking views of the Carpathian Mountains.

The Hotel will organize your summer holidays, considering requirements of all of your party members. Hiking, cycling, quad bike riding on the specially designed paths, horse riding, rafting on the roaring rapids of mountain rivers, accompanied by professionals or simply relaxing at the mountain lake bank – we will find the best option that suits you. In a short period of time the Hotel has become a favorite place for healthy active leisure for many families that return to stay with us again and again.
Zorbing is a type of entertainment that involves water crossing inside of a large transparent plastic ball. A zorb consists of two spheres made of polyurethane. The space between them is filled with air. Being inside of this ball provokes unexpected exciting emotions which are hard to compare with anything else, especially while being inside of this ball on the water.

Extreme Park (or rope park) is a system of wooden platforms and interlinked attractions: overhead hurdle lines, bungee ropes, stairs, bridges and swings which are mounted at a height of 1.5 - 6 m above the ground. You can test your strength, skills and your fitness in the Extreme Park which is situated at the Bukovel Resort next to the lift № 2A. The Extreme Park circuit requires quick reactions, good nerves and skills to move at heights, to conquer different heights in the way mountaineers and climbers do.

Paintball is a sport in which the players compete, in teams or individually, to eliminate opponents by marking them with the gelatin capsules containing water soluble dye set off from a device called a paintball marker (pistol). In the mountain area this games seems to be even more adventurous. You can test your physical strength and skills of dealing with air guns on a specially designed tactical battle field at the Bukovel Resort.

Bukovel Resort becomes the real center of active leisure time for cyclists of any level in the summer.

Here is the best Bike Park in Ukraine, where you can find well maintained downhill mountain bikes of medium and high end. The trails are divided into three categories: black, red and blue. The new Bike Park is located at the lift №2. The surface of the trail is covered with natural soil and has a number of wooden bridges and figures.

Lovers of Cross-country biking and those who prefer cycle tours on the straight roads can choose any route, ranging from 2 to 50 km or even longer.
- The 1.5 km long trail from the Hotel to the big lake with the mountain beach - is suitable for beginners.
- The 5.7 km long route from the Hotel to the alcove in the mountains goes along the river through the National Carpathian Natural Reserve.
- The 30 km long route from the Hotel along the new road to the Yablunytsky Passover through Yablutsya village to the turn to Palyanytsya village.

Bicycle Rental runs at the center of the Bukovel Resort (lift № 2A in front of the fountain). New CUBE bicycles of different categories for adults and children are available for rent.
Rafting in the Carpathians is all about conquering the rapids of mountain rivers on catamarans, rafts, canoes or in kayaks. Rafting on Chorny Cheremosh (Black Cheremosh river) is the most breathtaking attraction, as it offers a speedy (15-20 km/h) way downstream, overcoming the most difficult river rapids: Dzembronya, Didiv Likot (Grandpa’s Elbow), Bila Kobyla (White Horse), Huchok, Huk. Trips conquering the waters can be short (general program is 10 km, 1 hour) or long (to Verkhovyna, 20 km, 2 hours). Rafting camp is open from April 15 to September 15.

Rafting does not require any special training and is available to everybody. A professional and experienced instructor accompanies you all of the time. Rafting is somewhat extreme but safe type of activity in the Carpathians. This is a great chance to have a lot of fun, battle the extreme power of a mountain river, to learn how to sail a catamaran or row a raft.

Horse Riding is an outdoor fresh air activity that stimulates health improvement. The kindness and gentleness of these incredible animals has long lasting relaxing and calming effects and strengthens both body and soul.

A Horse Riding Tour will fill your vacation in the mountains with new impressions. Most of the routes (offered in the town of Yaremche) meander through forest, picturesque meadows, pass near waterfalls, rocks and lead to valleys and closest mountain peaks. A stop at the farmstead at the Carpathian National Natural Reserve gives you an opportunity to see various wild animals in the mountain valleys you have a chance to meet local shepherds who will gladly share the secrets of making cheese (brynza, budz, vurdetc) and will offer you to taste it. The overall length of the tour is 3-5 hours. Professional instructors will accompany you on all the routes. The horses are well looked after, clean and quite, well trained to be ridden by adults and children.
Quad Bikes Tours
A ride on a quad bike in the Carpathians is an exciting activity for those who value extreme mountain adventures. You will get an extreme drive over mountain ascents and descents. You will get a real buzz out of the quad biking! Quad Bike Tours go through the mountain chain in Yaremche region and the Bukovel Resort.

We offer tours of different adventure levels and length. The most interesting are:

- Trip to the Makovytsya Mountain (948 m) through the Dovbush’s rocks, 2-3 hours in duration.
- Trip to the Klyva Mountain (1226 m), 2,5-3,5 hours in duration.
- Trip to the Synyak Mountain (1756 m), 3,5-4,5 hours in duration.
- Trip to the Horhany Chain, 4-5,5 hours in duration. The route goes through Klyva and Synyak Mountains. You also visit the Carpathian valleys where you can taste locally made cheeses.

Trips to the mountains on off-road vehicle
If walking is exhaustive to reach the tops of mountains than ride on the main mountain ranges possible on off-road vehicle. During a day you will see the most interesting places that do not strengthen during walking. Trips on off-road vehicle will add a real sense of extreme. The most popular is a trip to the mountain range of Sydovets which offers superb views of all Carpathians. Highlight of these trips will be climbing to mountain lakes and to the local valleys.

Carpathian waterfalls
The Carpathians are known for their incredibly beautiful waterfalls. The biggest waterfalls are: Probiy, Shypit, Huki, Hukalo and Manyavsky Probiy is one of the most popular waterfalls in the Carpathians near Yaremche – one of the busiest tourist destinations you can enjoy the beautiful views from a wooden bridge above the waterfall.

Souvenirs can be bought at the nearby market. The 11 meters high Zhenetsky waterfall runs between Yavirnyk and Homyak-Synyak mountain chains at the altitude of 850 meters above sea level.

Manyava Skete – otherwise known as Ukrainian Athos – is an Orthodox solitary cell men’s monastery established by YovKnyahytsky in 1606 close to Manyava village (Bohorodchany district of Ivano-Frankivsk region). It is famous for the apparition of the Virgin Mary who appeared here twice and for its miracle-working icon of Manyava Icon of Mother of God. The icon “cried” twice, was shedding myrrh (supernatural oil) in 2004 and last in spring of 2012. Manyavsky Skete is one of the most renowned centers of spirituality, culture and art in Ukraine. Architectural monastery complex consists of wooden and stone constructions, surrounded by high stone walls and tower with loopholes. This approach successfully combines mountainous terrain and fortification buildings.

Manyava Skete is also famous for its “Blessed Stone”, regarded as a place of prayer and of the spiritual purification. The stone is reminiscent of a giant cave with the space of 10 x 3 meters, a typical dwelling of the solitary contemplative monks. This was the first place the founding monks (the first apostles of the sub-Carpathian highland) settled in the 13th century. The spring of healing water flows from underneath the Blessed Stone. It is said that the water has the same healing properties as the waters of Lourdes. The spring ceased when the monastery was closed and miraculously started flowing again with the reopening of Manyava Skete.
