

RADISSON BLU RESORT TEMPLE BAY ENVIRONMENTAL & SOCIAL SUSTAINABILITY POLICY

Following consideration of the importance of environmental and social sustainability and a commitment to be a benefit to the **Mamallapuram** community, Radisson Blu Resort Temple Bay is committed to strive to achieve environmental and social sustainability .

An hour's drive from Chennai airport, Radisson Blu Resort Temple Bay, Mamallapuram is at an ideal location for visits to the heritage centers in South India like Kanchipuram and Pondicherry. Radisson Blu Resort Temple Bay plays an ideal host for corporate team outings, indoor / outdoor conferences, wedding and private parties. It is a 144 room Beach Resort. It includes conference facilities, swimming pools, fitness studio & spa facilities in addition to a series of Food & Beverage outlets.

We care about the health and welfare of our employees, our guests, our suppliers, our community & our planet. We are committed to providing a safe & healthy work place by conserving the energy & natural resources & also comply with the local legal laws governing environmental issues.

Our environment initiatives symbolize our efforts to reduce environmental burden by a way of comprehensive set of environmental policy objectives bench marked annually which include:

- 🔗 Conserve and protect natural resources.**
- 🔗 Control and prevent pollution by using eco-friendly materials.**
- 🔗 Comply with applicable legal & other requirements and strive to achieve international best practice.**
- 🔗 Create environmental awareness amongst employees, guests and community.**
- 🔗 Continually improve towards clean and green environment for the future.**

We have appointed the Mrs. Rukshana Shabin as the EarthCheck Coordinator who has responsibility and skills for ensuring ongoing environmental performance, identification of environmental risks, recording and monitoring of impacts and implementing environmental and social sustainability measures.

We encourage staff to present our commitment to environmental and social sustainability and our Benchmarked/Certified status under the EarthCheck program to our guests, suppliers, contractors, agents and wholesalers.

Special consideration will be given to employing and empowering local employees, and wherever possible environmentally sustainable, products and services will be sourced locally.
